Percent satisfied with social and physical environment	100%	80.5%	94.3%
Percent satisfied with school-home relations	90%	87.8%	94.2%

*Only students at the highest elementary school grade level at this school and their parents were included.

REPORT OF PRINCIPAL AND SCHOOL IMPROVEMENT COUNCIL

Hard work and a desire to improve the delivery of instruction and increase learning for all students are the passion of North Vista Elementary School faculty and staff.

All academic programs at North Vista are student-centered and research-based to ensure a quality education. We continue to rely on data for enhancing student achievement, while listening to the concerns of parents and community stakeholders. As a result, the following innovative programs are being used to meet the needs of our students:

Literacy, Math, and Science Coaches
 Montessori Children's House
 Smallness Concept
 Mentoring
 Intervention Groups
 MAPS (Measures of Academic Progress)
 Before and After-School Compass Odyssey Lessons
 Fresh Fruit and Vegetable Program (FFVP) - Nutrition Education
 Professional Study Groups
 Common Core Curriculum Standards Implementation

Technological expansions within the classroom continue to improve tremendously with the incorporation of interactive Smart Boards, iPads, and iPods into our educational program. We have found that students' use of technology offers opportunities for them to share their mastery of state standards in innovative ways while enjoying the learning experience. Our students are also offered a variety of opportunities to participate in clubs after school. Such activities include Extended Day Classes, Science and Beta Clubs, Art, Chorus, Drum Line, Step Team, Movement Team, Track, Robotics, Basketball and Battle of the Books (BOB.)

Through various accomplishments, it is evident that improvement is being made and performance goals are being addressed. Our percent of highly qualified educators has improved over the last two years, increasing as high as ninety-six percent.

Tamashia Daise was selected as our Teacher of the Year. Ms. Daise represents all of our teachers who are well-trained and skillfully teach South Carolina state standards. They share a great deal of knowledge that is imparted across grades Pre-K thru 6 within their homeschool, as well as with teachers across Florence School District One.

The success of our school can be attributed to the support of our many stakeholders. Stakeholders in our school community, including the School Improvement Council, Title I Committee, School Leadership Team, PTA, High Performance Partners, mentors and community volunteers have all supported the goals of our learning community during the 2012-2013 school year.

Sharon R. Dixon, Principal

LaDonna Pipkins, School Improvement Chairperson
